

Get the most out of your Microsoft Software Assurance Vouchers (SATVs) with TechSherpas!

Training Vouchers give your organization access to in-depth technical classroom training that can help IT professionals and developers deploy, manage, and support your organization's infrastructure. Training is delivered by Microsoft Certified Partners for Learning Solutions (CPLS), who use Official Microsoft Learning courseware developed by Microsoft experts.

Increase your Return on Investment by redeeming your SATVs with TechSherpas!

Training Vouchers help you do the following:

- Support your software investment by preparing your IT staff to efficiently deploy, maintain, and support new technologies.
- Provide your developers with the technical expertise to build line-of-business applications for your organization.
- Reduce your overall training budget.

Special SATV Offer!

Redeem 3, Get 1 FREE!

For every **3** SATVs you redeem with TechSherpas, you will receive credit for an additional day of training for **FREE!** SATVs can be used for any Microsoft Official Courses on our class schedule.

*Must redeem a minimum of 20 SATVs to qualify.
